AgWeatherNet Field Day

Friday, March 4, 2022

10 am—Noon

Weather Station at WSU Mt Vernon Research & Extension Center

During this open house-style event, AgWeatherNet staff will be on-site at the weather station at the WSU Mt Vernon Research & Extension Center giving an overview of the station and sensors as well as answering questions.

Location:

WSU Mt Vernon Research & Extension Center, 16650 WA-536, Mount Vernon, WA

GPS to Weather Station:

48.439033, -122.392637

If you have difficulty finding the location during the event, please contact the NWREC front desk at 360-848-6153 and state that you are looking for directions/on-site help for the Field Day.
